

Dave Durst Memorial Founders' Day Regatta - Sunday, November 6, 2016¹

Have you ever raced your sailboat as a member of a team. This is your chance!

The Teams. Entrants will be divided into two teams, “Boozers” and “Cruisers”², balancing as best as possible combined PHRFs and other features. “Boozers” will be identified by red placards at the bow; “Cruisers” will be identified by green placards.

The Course. The course will be up to 6 - 10 miles in length with a 4 hour time limit.

The Winner. The winning team is that one whose **sum of first four finish positions** is less than that of the opposing team, $\frac{3}{4}$ point being assigned for “first-to-finish”.

The Rules. 2013-2016 Racing Rules of Sailing, **within-team communication is encouraged.**

Trophies. The name of the winning team will be inscribed on the Durst perpetual trophy.

Each skipper of the winning team as well as the winner of the “name-the-team” contest will receive a commemorative medal.

Traditional Durst ceramic trophies will be awarded for “**first-to-finish**”, and also to the **fourth place finisher** of either team which beats the **fourth place finisher** of the opposing team, i.e., the “**Cinderella**” award. (Why? Come and find out.)
